# Field Visit Two | Olive Farm and Olive Processing

---

Module Objective:

# Olive Farm and Processing Plant Field Visit Instructions

- Break into four groups
- Conduct interviews with farm and processing staff based upon checklist

# Report Out Instructions

- Per topic area group report back the following:
  - ❑ Key findings
  - ❑ Conclusions on compliance with checklist
  - ❑ Recommendations to USAID to improve pesticide and food safety management

# Practical Application

- Provide the tools and methods for each element of the project cycle required for the development of a multi-sector agribusiness intervention
